

# Global Perspectives Film Series

**Thursday  
January 24  
12:00 noon  
ACB 240**

## ***Human {Part 3}***

**Human** is a collection of stories and images of our world, offering a journey to the core of what it means to be human. Through these stories full of love and happiness, as well as hatred and violence, **Human** brings us face to face with the Other, making us reflect on our lives. From stories of everyday experiences to accounts of the most unbelievable lives, these poignant encounters share a rare sincerity and underline who we are — our darker side, but also what is most noble in us, and what is universal. Our Earth is shown at its most sublime through never-before-seen aerial images accompanied by soaring music, resulting in an ode to the beauty of the world, providing a moment to draw breath and for introspection.

Because each story highlighted in **Human** stands independently, attendees do not need to have viewed parts 1 & 2 in order to enjoy part 3. We hope you will join us for this beautiful glimpse into the shared human experience.

**FREE pizza will be provided to the first 30 attendees!**

This event is free and open to the public. No RSVP is necessary.
